SHAREPOINT BOOTCAMP

This one-day Bootcamp will be delivered by a senior SharePoint consultant and provides key insights on what you need to know about SharePoint & SharePoint Online (which is part of the Office 365 solution suite from Microsoft).

Enabling solutions that drive efficient collaboration and business process improvement is a ubiquitous business objective in today's competitive marketplace. Microsoft SharePoint is an effective tool that seamlessly integrates your workplace. As a leading platform for Line-of-Business (LOB) solutions, SharePoint meets multiple business requirements within an enterprise.

On this one-day intensive Bootcamp, within a small group, you will gain hands on experience in building forms and workflows within SharePoint.

No equipment required. Spanish Point will provide laptops loaded with the applications and manuals for all attendees to use.

Course content is written and delivered by our senior consultants who work with SharePoint at customers every day.

Topics include:

- Introduction to SharePoint
- What is a SharePoint Site Collection?
- What are SharePoint Sites?
- What are SharePoint Lists and Libraries?
- Creating a Team Site and a Communication Site
- What is Classic Experience and Modern Experience
- Brief introduction to the InfoPath
- What is Microsoft Flow?
- Building Microsoft PowerApps
- Creating an Office 365 SharePoint Online Site

Price per attendee is €750. If you have any questions or you would like to book please call on 01 652 2000, send an email to events@spanishpoint.ie, or you can book online at <https://www.spanishpoint.ie/events/>
